HOW TO DONATE EXCESS FOOD

HAVE FOOD ITEMS YOU'RE NOT TAKING TO YOUR NEW LOCATION? LET US KNOW, WE'D BE HAPPY TO DONATE IT ON YOUR BEHALF!

We are a member of [Move for Hunger](#), a national organization dedicated to providing aid to community food banks through donations collected as a part of the relocation process. Our local efforts benefit the [Golden Harvest Food Bank](#).

WHAT ITEMS CAN BE DONATED?

While Golden Harvest can take perishable items, we ask that you make donations of "non-perishable" goods, as we only take donations into the food bank a few times a month. Items of increased need in our area include:

- Peanut Butter
- Jelly
- Dried Beans
- Canned Soup
- Canned Tomatoes
- Dried Pasta
- Canned Soup
- Canned Beans

All non-perishable items are welcome for donation.

HOW CAN I MAKE A DONATION?

Speak with your move coordinator or sales contact about having a donation box delivered to your home. As you are cleaning out your pantry and cupboards, instead of tossing food items you do not want to take to your new home, load them into your donation box. Once you have filled your box, we will either pick it up from you prior to your move OR our crew members will pick it up from you on moving day.
